BE COURTEOUS AND RESPECT OTHERS

Dear Parishioners,

Through the years and after listening to numerous complaints, I have come to realize that Catholics do not want to be harassed after Mass. They do not want someone poking tickets in their face or be pushed to participate in something in which they have no interest. Common courtesy and our Christian beliefs encourage us to respect others.

Since first becoming a pastor in 1984, I have imposed the same guideline in every parish I have served. I think it is perfectly OK to give parishioners the “opportunity” to participate in various fundraisers and receive information about parish organizations and activities. The rule is that any group selling tickets or offering information must have the permission of the pastor and must sit or stand behind a table with a poster letting people know why they are there. Do not leave the table to go and speak with parishioners or call out in an effort to get them to come over to the table. People attending Mass then have a choice whether or not they want to participate. This rule is appreciated by the majority and I am grateful that most groups and organizations cooperate. Every group is responsible for the individuals representing it.

Each year various youth groups and several others offer raffle tickets to win a cake or other “goodie.” I think all of them are an example to follow. They stay at their table and many people buy a ticket on their way to Mass. I don’t think anyone feels pressured. Individuals look forward to the possibility of winning while supporting a worthy cause.

Parish organizations and groups are given an opportunity to share their goals and encourage membership once a year. You may spend five (5) minutes on a determined weekend addressing the congregation at all Masses. On this weekend you can set up a table in front of church have members available to answer questions and pass out literature the purpose and activities of your organization. I encourage you to take advantage of this opportunity and come prepared to use the time wisely. The Catholic Daughters of the Americas do this annually on CDA Sunday. The Knights of Columbus have also made good use of this opportunity.

With permission, information and various registration forms for parish and diocesan events may be made available for pick up in the church vestibule. Notify the office and a note will be placed in the bulletin letting parishioners know the information is available.

I do not like to announce from the pulpit what is already in the parish bulletin. However, because readership is down, sometimes it is necessary to draw attention to special events or activities. If you feel you have something that needs to be announced, notify the office no later than Friday morning so that the information may be included in the list of announcements I receive from the parish secretary on Friday afternoon. Do not leave notes on the vesting bench in the sacristy or hand them to me when I am ready to start Mass. They are usually washed in my pocket the following week. Following these guidelines will make attending Mass less stressful for everyone, including me.

Thank you, *Father Don Ruppert* Pastor

Birth Certificate Needed for Baptism

Information recorded in the Church Baptismal Register must match that on the Birth Certificate. In the future parents will need to arrange baptisms in person and bring a copy of the child's Birth Certificate. If you are not a registered member of Holy Cross Parish or live within the parish boundaries, you must have written permission from the pastor of the parish

in which you reside to have a child baptized in Holy Cross Church. Parents and sponsors should attend a baptismal preparation class before scheduling a Baptism. If you attend the class in a parish other than Holy Cross you need to provide proof of attendance. Godparents must be practicing Catholics and able to validly receive Holy Communion according to the laws of the Catholic Church (if married they must be validly married in the Catholic Church). If you are unavailable during office hours you may FAX or e-mail a scanned copy of the birth certificate to the church office.
